

2025-2026 Program Overview

Participation in SAYChoirs

Thank you for your interest in **Spokane Area Youth Choirs**! We are a performing arts choral organization, committed to providing a unique musical experience where artistic expression and appreciation are developed in singers of all ages, most especially grades K-12. Through weekly rehearsals culminating with performances, singers become knowledgeable about voice technique, team building and music theory. Singers are placed in the grade-appropriate choral ensemble to fit their learning level and grow with peers through music.

- At your **Placement Interview**, we hope to discover as much as possible about your child's musical potential. No experience is necessary, but interviewing your young singer helps us understand their musical learning needs and personality. Contact us today to schedule a time to meet with us!
- A comprehensive **2025-2026 SAYChoirs Handbook** and **Season Calendar** is available at the first rehearsals or by emailing office@saychoirs.org. We ask that our members take note of expectations to optimize individual musical growth and community development.
- Participation in the **Spokane Area Youth Choirs** programming requires **commitment** and **communication** from each member and their parent/guardian.
- We encourage participating families to support our annual **fundraising efforts**. Tuition only covers 40% of our operating expenses.
